

How do I print the documents I want to have in paper format ?

Procedure :

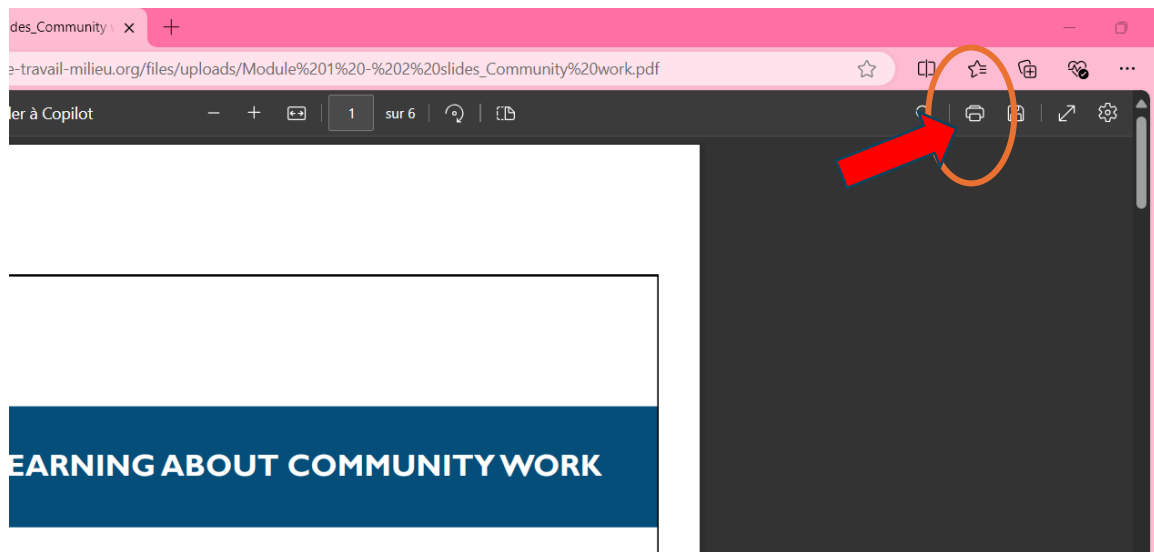

1. Click on the link of the document you want to print. It will open in a new tab.

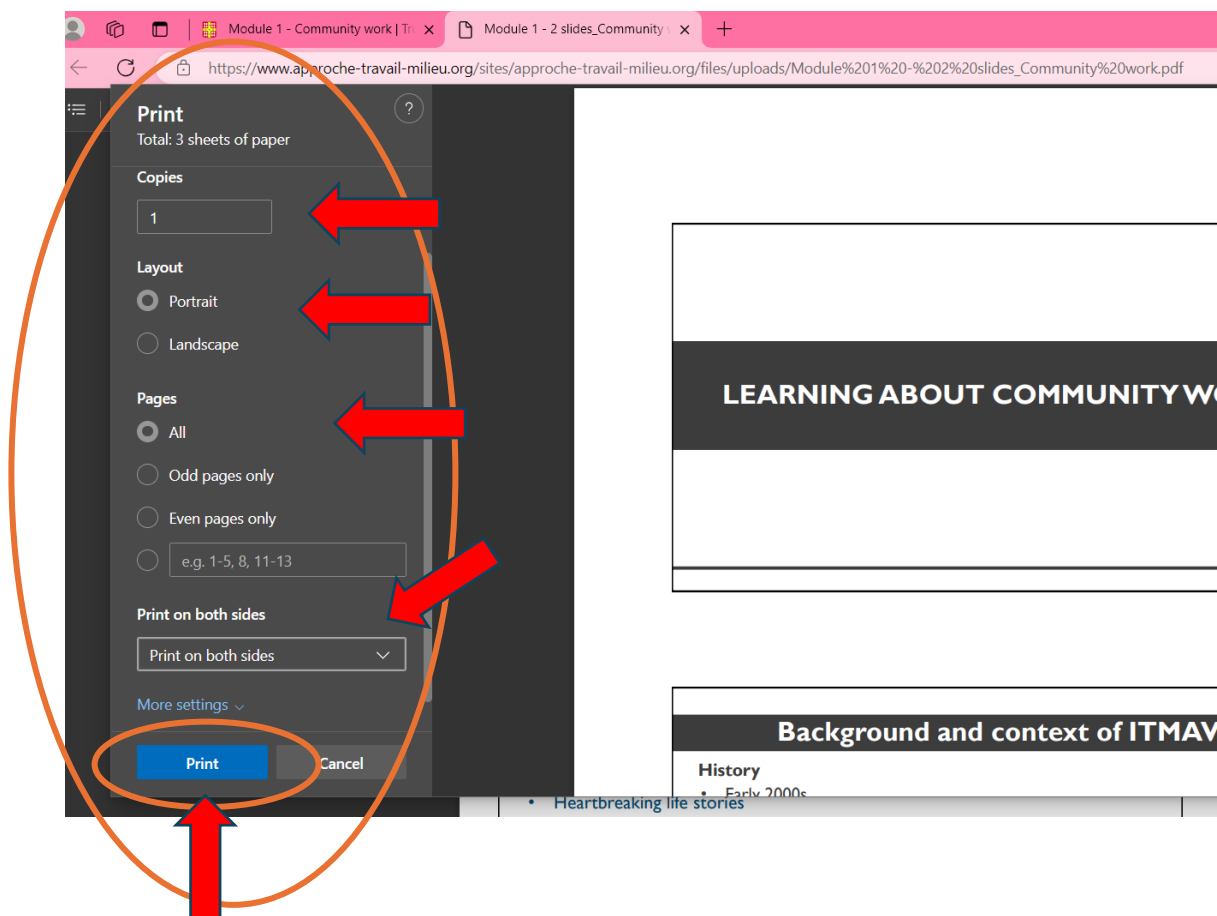

2. Go to this new tab by clicking on it.

3. On the taskbar, click on the printer at the top right corner or type Ctrl-P on your keyboard.

4. A menu will open where you can make your printing choices, e.g., the number of copies you want, double-sided printing, etc. When these choices are made, click on : Print.

5. Make sure your printer is connected and has paper.

6. You have succeeded !

Good continuation !
